## What's Ahead in 2025: Programs for Theatre Directors

### Summer Salon Series (June–August 2025)

Peer-led virtual discussions on directing, craft, and career, submitted and facilitated by members of the DG community.

### (DG) Convening (November 1–2 & 8–9, 2025)

A four-day hybrid gathering of workshops and panels led by directors, centering the directing community and future of the craft.

### "Ask a Director" Consulting Pilot (Fall 2025)

We will pilot a one-on-one consulting service for freelance and early- to mid-career theatre directors navigating professional development and industry challenges.

## Who We Are?

**A consistent, director-centered community built by and for theatre directors.**

Our vision is to foster a vibrant, dynamic, caring, and inclusive ecosystem where theatre directors of all backgrounds can sustain a lifelong journey in directing.

## Membership

### Membership: What It Is, Why It Matters, How to Join

The (DG) membership program is a vital piece of our work—offering theatre directors across all stages of their career a way to connect, access shared resources, and invest in their professional growth.

Joining helps build a sustainable model of support for directors—and we're using 2025 to refine this structure for a long-term relaunch in 2026.
